**Gordon J. Christensen**  
**PRACTICAL CLINICAL COURSES**

**PROCEDURE FOR RECEIVING**  
**CE CREDIT FOR VIDEO COURSES**

1. Complete the enclosed Post-Test.\* For each **CE Video Purchased**, one complimentary test is included. Additional tests are \$35/person per test. Fees can be paid by check or with a credit card when submitting tests to Practical Clinical Courses. If more than 10 CE tests are required per video, please contact us at 800-223-6569.
2. Complete the demographic information located at the end of the test.  
**Type of Credit:**
  - a. If the applicant selects "State," PCC will issue a certificate of verification to the applicant. The applicant must then submit this certificate to their state board to obtain credit.
  - b. If the applicant selects "AGD," PCC will submit credit information to the Academy of General Dentistry and confirmation to the applicant that it has been submitted (*the applicant may check their AGD transcript for verification – please allow 30 days*).
  - c. If the applicant selects "Both," PCC will complete a. & b. above.
3. Return the **Post-Test portion** via mail, fax, or email. Our contact information is as follows:

Practical Clinical Courses  
3707 N Canyon Road  
Suite 3D  
Provo, UT 84604  
Fax: (801) 226-8637  
[cetests@pcc dental.com](mailto:cetests@pcc dental.com)

4. Practical Clinical Courses will correct the Post-Test. **Passing scores are 70% or higher.**

***\*TO OBTAIN CE CREDIT ONLINE:*** Login or create an account on [www.pcc dental.com](http://www.pcc dental.com) and select "My CE Tests" from the left-side menu. Click on the video title to take the test online. **RESULTS ARE IMMEDIATE.** Missing the test? Contact us at 800-223-6569 during our business hours of 7:00 a.m. – 4:00 p.m. MST to add it to your account.

## POST-TEST

### **X2455 Infection Control for TODAY!**

1. A healthy immune system is very important because it is a clinician's first line of defense against cross-infection.
  - a. True
  - b. False
2. A face mask's filtration is more important than its snug fit in providing maximum protection against aerosolized microbes.
  - a. True
  - b. False
3. A high-quality face mask can be worn all day without any worries about changing into a new mask.
  - a. True
  - b. False
4. Eye protection requires cleaning but does not require disinfection.
  - a. True
  - b. False
5. Clinical examination gloves should be put on just before touching the patient.
  - a. True
  - b. False
6. Examination gloves can vary widely in overall quality, regardless of their cost.
  - a. True
  - b. False
7. The style of a clinician's protective clothing doesn't matter during patient treatment as long as it is clean.
  - a. True
  - b. False
8. Use of a pre-treatment rinse just before treatment substantially lowers microbe numbers, and maintains those low levels of oral microbe counts throughout the treatment.
  - a. True
  - b. False
9. Rubber dam is most useful to retract lips, cheeks, and tongue and to isolate the treatment site.
  - a. True
  - b. False
10. Evacuation system cleaners are potent disinfectants.
  - a. True
  - b. False
11. Microbe-laden aerosols from the patient's nasal and oral cavities generated during rotary instrument cutting in the oral cavity are easily controlled and eliminated.
  - a. True
  - b. False

**POST-TEST**

**X2455 Infection Control for TODAY!**

- 12. The COVID-19 Pandemic caused federal agencies to establish new rules regulating aerosol levels in dental offices.
  - a. True
  - b. False
  
- 13. ADA has specified that dental unit waterlines should contain no more than 500 cfu/ml of heterotrophic microbes.
  - a. True
  - b. False
  
- 14. It requires constant and consistent care of the unit waterlines to meet the ADA recommendation for the number of microbes allowable.
  - a. True
  - b. False
  
- 15. Hydrogen peroxide is not best suited to healthcare environmental surface disinfection because it is quickly decomposed and neutralized by the catalase enzyme released by many different microbes, human red blood cells and oral debris.
  - a. True
  - b. False
